

EC DECLARATION OF CONFORMITY

The manufacturer located in Europe

RENSON® Ventilation NV
Industriezone 2 Vijverdam
Maalbeekstraat 10
8790 Waregem
BELGIUM

Declares that the **motorized ventilators and louvres** (non-motorized ventilators and louvres are not subject to CE-marking, since not included in Table ZA.1 of EN 14351-1 + A1)

when used according to the respectively technical conditions of these products,

comply with the conditions of the European standards

- EN 13141-1 Testing ventilators
- EN 13141-2 Testing ventilators
- EN 13030 Testing louvres
- EN 55014-1 + A1 EMC Emission
- EN 55014-2 + A1 + A2 EMC Immunity
- EN 60335-1 + A1 + A2 + A3 + A4 Safety (general)

Implying that the products comply with the demands posed by:

- 2006/42/EC Machinery Directive, as amended and corrected
- 89/106/EEC Construction Products Directive, as amended
- 305/2011 Construction Products Regulation
- 2006/95/EC Low Voltage Directive
- 1999/5/EC R&TTE Directive
- 2004/108/EEC EMC Directive

The products also comply with the RoHS directive 2002/95/EC.

The undersigned are both individually empowered to edit the technical file (TCF).
